## Webpage for Alumni Association

Alumni as well as retired teachers and non-teaching staff organizations play a vital role in the growth of any educational institution. Mahatma Gandhi Govt. Arts College is blessed to have a very active Alumni Association. Within a period of more than 50 years of service to the nation, thousands of students graduated from our college, are working in many walks of life. As our college moves on to the **third phase of NAAC accreditation**, we have achieved a lot in academic and extra-curricular activities including NIRF ranking, University results, Research, Infrastructure, Online admission etc.

On this occasion, a new webpage has been created by **National Informatics Center**, Mahe, Govt. of India, to bring together former students, retired teachers and staff, working and living in different parts of the world under one roof.

All former students, retired teaching and non-teaching staff members are requested to utilize this facility.
