## STUDENTS' GRIEVANCE REDRESSAL CELL

The University Grants Commission (UGC) has introduced the University Grants Commission (Redressal of Grievances of Students) Regulations, 2023 to simplify and improve the mechanism for handling student grievances. The new regulations supersede the University Grants Commission (Redressal of Grievances of Students) Regulations, 2019, and require all higher education institutions to establish a Students' Grievances Redressal Committee (SGRC) and appoint Ombudsperson(s) at the university level. The University Grants Commission (Redressal of Grievances of Students) Regulations, 2023 aims to handle student grievances more effectively and easily.

Students in Mahatma Gandhi Govt. Arts College, Mahe can lodge complaints related to admission process, non-transparent or any unfair evaluation practices, provision of student amenities, alleged discrimination of students, etc. through the following link.

[Application for Redressal of Grievance to Students' Grievance Redressal Cell](#)

On receipt of complaints from aggrieved students, Nodal Officer of Grievance Redressal Cell will monitor and respond to students grievances.
