7.1.4 Institutional Efforts/Initiatives in Providing an Inclusive Environment

Mahatma Gandhi Government Arts College, Mahe, is committed to fostering an inclusive environment that promotes tolerance, harmony, and awareness among students and staff. The institution observes significant events like Linguistic Harmony and Cultural Unity Day, Constitution Day, and Onam, which celebrate diversity and unity, fostering mutual respect and communal understanding. Activities such as blood donation, EVM and VVPAT demonstrations and voter enrollment drives sensitize students to their constitutional duties and encourage active democratic participation and inculcate universal brotherhood. These efforts not only enrich the campus culture but also instill values of inclusivity and citizenship. The following document provides a glimpse of these initiatives.
