One Week National Workshop on Skill Enhancement and Entrepreneurship (8-07-2022 to 14-07-2022)
Brochure

Mahatma Gandhi Government Arts College, Mahe, U.T. of Puducherry, established in 1970, is dedicated to value based education to youngsters of Mahe and Kerala hailing from a small and culturally distinct region of India. It offers 11 Under Graduate and 02 Post Graduate courses. The college is re-accredited with "B" grade by NAAC and aims to provide high quality education, inculcate appropriate social, cultural, economic and environmental values, undertake research works and result oriented projects, enhance and develop technological skill and thereby focusing on their capacity building for all future endeavors

The P.G. Department of Botany: The Post Graduate Department of Botany was started with undergraduate course in 1974 and the Post Graduate course in 1997. The department is actively engaged in teaching, research and developmental activities. Documentation of floristic wealth of Mahe, studies on algal flora, mycoflora, pteridophyte flora, wetland plants, grasses, ecological and socio-cultural studies of sacred grooves, indigenous socio-religious and medicinal plants of Mahe, Environmental Impact Assessment studies, Watershed management etc are some of the important documentations made by the faculty members. Our faculties have also contributed significantly in the field of Biodiversity, Aerobiology, Enzymology and Evolutionary biology and have produced more than 100 research and review articles in journals of National and International repute. In the last ten years, the department has completed eight research projects and successfully conducted 19 seminars/symposia funded by various state and central agencies

About the workshop
The current economic challenges faced by many countries across the globe have led to greater entrepreneurial activity by many national governments. The relevance of entrepreneurship to economic development has been highlighted in recent years and it is now well-recognized that education and training opportunities play a key role in cultivating future entrepreneurs

success. The aim of this workshop includes promotion of entrepreneurship and skill development to nurture the talent of youth by enlightening them on various aspects of industrial/business activities required for being a successful entrepreneur or setting up new business. This would also in turn motivate other people interested to set up their own industrial/self-employment venture. In this context, P.G. Department of Botany, Mahatma Gandhi Government Arts College, Mahe, is organizing various technical sessions (along with practical/field visit) for one week by various eminent speakers in respective areas of entrepreneurship and skill enhancement
